## ORIGIN

Shortly after a botched heist (which resulted in several deaths), her partners shot her and left her for dead. She's been on the run from the police ever since.

## OCCUPATION

She made a living as an underground courier for criminal organizations. After incurring a massive gambling debt, she turned to get-away driving.

## HEADQUARTERS

Her Cabal is located in an old farmhouse just south of the city. It's peaceful and quiet. They keep their grenades and shotguns in the barn.

## CONTACTS

Jose Delgado, police officer  
Zafirah Hassan, DMV clerk

## MENTOR

Lucas Rawls. Black male, early forties. Greying hair at temples. Wears navy blue suit, carries briefcase. Businesslike, professional.

## PERSONALITY

Uses her muscle to get her way. A fast-talking gutter-mouthed troublemaker. Suspicious. Loves driving fast, car chases, and bloody head-on collisions.

## CABAL

Civet is caring, compassionate, and honest. But the sight of blood causes her to fly into violent fits of uncontrollable rage.

Dirge loves to be in control. He loves to dominate and kill demons, and to use magic in order to manipulate people.
