### OCCUPATION

Worked as a bounty hunter for the Yakuza. Spent several years tracking down those who had betrayed the Nakamura clan.

### ORIGIN

Struck by a hit-and-run driver, left for dead. Therapy was agony. Spent months recovering. Began to question life choices. Wants to purify self, become new man.

### HEADQUARTERS

Abandoned warehouse downtown. Dusty, dirty, covered with graffiti. Low-tech. Kitchen, military-style barracks, armory.

### CONTACTS

Leslie Nakamura, convict  
Patrick Rein, priest

### MENTOR

Keller. Caucasian male, fifties. Long grey hair in ponytail. Wears burgundy leather jacket. Gravelly voice. Doesn't talk much.

### PERSONALITY

Quiet, stoic, contemplative. Chooses words carefully. Wary of snap decisions. Objective, rarely takes violence personally. Patient.

### CABAL

Gorgon is short-tempered and prone to violence. Uses magic to level the playing field. Sometimes goes too far, has to be reined in.

Troyka tries to be a decent man. He wants to be a force for positive change. Very people-oriented, sometimes gets wrapped up civilians and loses sight of the target.
